

WOW Well Woman Programme -
GROUP AGREEMENT & COVID19 SAFETY PLAN

No men will be either attending or facilitating this group.

If safeguarding issues are raised, this will be discussed with you after the session to discuss what action, if any, needs to be addressed.

We will all aim to begin and end the sessions on time (sessions are 2 hours).

If anyone drops out or is unable to attend, one of the facilitators will phone you to catch up.

Please be mindful of others' opinions and views which you may not share.

Be mindful that the session may bring up anxieties for you, so it is very important that you look after yourself regularly. The group facilitators will help you with this.

Confidentiality:

- No details of the course information to be shared on-line or with people outside of our group.
- No personal details regarding other group members to be shared on-line or with people outside of our group.
- No screenshots of course details or other participants are to be taken.
- No recording of course information or other participants.

For covid19 safety:

- Wear a face covering all through the training session
- Use the wipes provided to clean all shared surfaces before and after use, such as toilet door handles, and sink taps.
- Regularly Wash your hands thoroughly with soap and warm water
- Use the hand sanitizer provided in the training room.
- One of the facilitators will sign the register for you so that only one person handles the pen and register.

The facilitators agree to this and hope to add FUN and LAUGHTER 😊
